LECTURES

16TH OCTOBER 2018 MR SALEEM KADER "50 YEARS OF THE BOMBAY STORES GROUP"	Mr Saleem Kader, Managing Director of the Bombay Stores Group, will talk to the Society about how the business has evolved over the last 50 years – the 3 generations of family involved, the challenges faced and the influences of changing fashions and clientele on the business.
Professor Goswami will discuss how textile is cross-fertilising other disciplines and getting fertilised by other disciplines in this era of multidisciplinary research. The richness of making our disciplinary boundaries porous will be discussed in this talk with some case studies from his research group.	6TH NOVEMBER 2018 PROFESSOR PARIK GOSWAMI 'NEW MATERIALS AND NEW APPLICATIONS'
11TH DECEMBER 2018 MR HUGH FINN "VEHICLE AIRBAGS IMPROVE YOUR SAFETY"	Hugh Finn, Research and Development Manager at Airbags International Ltd will give an insight into the market, manufacture and use of high-performance technical textiles in airbag technology and their use in vehicles.
Dr Mark Taylor will address the Society on the problems created by plastics in the environment. His talk will cover micro-encapsulation, lint from washing machines, atmospheric fibres and oceanic pollution.	15TH JANUARY 2019 THE PP TOWNEND MEMORIAL LECTURE DR MARK TAYLOR "MICROPLASTICS"
12TH FEBRUARY 2019 - TBC MR ANDREW TAYLOR "3D PRINTING IN FASHION AND TEXTILES"	Andrew Taylor, a lecturer at the University of Huddersfield, will give an insight into 3D Printing within fashion and textiles
